**Subject:** RE: Cedar Grove Joint Fire Department Agreement

Gene, thank you for letting me know that the meeting date and time are OK, and that we will meet at the library. However, as I explained in my letter, I need to know what the subject of the meeting will be so I can properly post the meeting. Is the subject negotiations on the joint fire department agreement, or terms of dissolution? I have read of cases where local governments have gotten themselves into serious trouble when postings were too vague, and I don't care to be accused of failing to comply with the open meetings law. As soon I have the subject of the meeting, I will have Sharon post it. If you prefer, you provide that information directly to Sharon so there is less chance of a delay in posting. Thank you.

I have contacted the Village Board Members and it works for them on Tuesday, May 5, 2009. We will meet at the library at 7:30 P.M. I will have Karen contact Sharon to confirm this and post the meeting.

Thank you for providing 3 possible meeting dates. The best day to meet appears to be Tuesday, May 5. A draft letter from the Village Board was also sent to the Town on which town comments were requested. The attached letter addresses our comments on this letter and also requests that we meet again on May 5. This letter addresses the start time of the meeting, the location, and the subject. Please confirm all three so we can finalize the arrangements for the meeting and properly notice the meeting as required by state statute.
